

GRADUATE FELLOW AGREEMENT

I, _____, agree to participate in the Puerto Rico Center for Environmental Neuroscience (PRCEN) as a graduate fellow for the 20__-20__ academic year. I accept the stipend offered as support for scientific investigation for a maximum of two years and agree to the following:

1. Maintain a grade point average (GPA) of at least 3.0 in all of my courses. It is my responsibility to inform the program if my GPA falls below this average.
2. Participate in at least one outreach activity per semester with the San Juan Bay Estuary or related program supported by PRCEN during the school year and any other activity identified by the Program.
3. Attend PRCEN seminars, group meetings, and any other official activities identified by the Program.
4. Conduct environmental neuroscience research that contributes to PRCEN subprojects and/or PRCEN objectives. The student is expected to work full time on PRCEN research or related activities.
5. Participate in management, evaluation, or outreach activities identified by the program.
6. Act as mentor to PRCEN undergraduate students under supervision of the faculty advisor.
7. Provide the subproject PIs the data and/or information related to research supported by PRCEN on a regular basis for reporting purposes to the NSF or the PRCEN website.
8. Submit an annual report that will form the basis of the evaluation for continuation in the program for an additional year.
- 8 Within the 2 years of PRCEN funding, will present results at a peer-reviewed scientific meeting.

I understand that any failure to follow this agreement can result in my dismissal from the Program.
