

**UNDERGRADUATE RESEARCH FELLOW AGREEMENT**

I, \_\_\_\_\_, agree to participate in The Puerto Rico Center for Environmental Neuroscience as an undergraduate research fellow. I accept the stipend offered as support for scientific investigation and agree to the following:

1. To maintain an overall grade point average (GPA) of at least 3.0. It is my responsibility to inform the program if my GPA falls below this average.
2. To participate in at least one outreach activity per semester with the San Juan Bay Estuary or related program supported by PRCEN during the school year and any other activity identified by the Program.
3. To participate in any research, outreach, or evaluation activities identified by the Program to include up to but not exceed 20 hours per week during the academic school year (up to 40 hours during the summer) in addition to the time commitments mentioned elsewhere in this agreement.
4. To complete a report on my research following PRCEN guidelines at the end of my funding period (May for ART and August for SURE students).

I understand that any failure to follow this agreement can result in dismissal from the Program.
